

# Descriptive or Evaluative Feedback

Mark each example of **descriptive feedback** with a **D** and each example of **evaluative feedback** with an **E**. If you believe it is **neither**, mark it with an **X**.

\_\_\_\_\_ Good job!

\_\_\_\_\_ Sloppy work

\_\_\_\_\_ How did you reach that conclusion? Where's your data?

\_\_\_\_\_ Proficient

\_\_\_\_\_ 😊

\_\_\_\_\_ Your calculations are accurate. Take another look at appropriate units for density.

\_\_\_\_\_ C-

\_\_\_\_\_ Excellent!

\_\_\_\_\_ You need to try harder next time. You can do it!

\_\_\_\_\_ The students at station two are ready for the lab, they have their books cleared and their safety glasses on.

\_\_\_\_\_ A star

\_\_\_\_\_ You need to label the x-axis, include units with your label, choose an appropriate scale, show the points you plotted, and give the graph a title.
